NO. 7.

Better Opportunities in Powell.

Weeden Garrett and Robert Ewen are two young men of quick perception. As stated in the TIMES, week before last, they went to Missouri to locate permanently, expecting to find superior advantages over their native county of Powell, as so pictured to them by various persons. Instead of taking them years or a lifetime, to find out that such was not the case, as it sometimes does Kentuckians going west, they saw their folly and returned in less than a week. If others would act as these young men did, they would be better off, no doubt.

It is true enough that there is some fine land in the West, no one disputes that or that they have a fine country, but when a person just has a home here and sells it and goes west, especially where the land is so high, they find that they must labor hard for some years and live very economical before they can have the same there. Fine farms in an up-to-date country are all right where one has sufficient money to own one, but where only a small amount of money is available, this portion of Kentucky is the best place on earth to use it. There is no other improved section where so little money will buy a decent and complete home. A good little farm and a snug home can be bought here for less money than the rent costs on a

modern western farm or in the bluegrass portion of Kentucky.

Death of Miss Moore.

Miss Nettie Moore died at the home of her father, Mr. Edward Moore, near this city Saturday of consumption. Funeral services were conducted at the Stanton Christian church Monday morning by Eld. E. W. Marcum, after which the remains were laid to rest in the beautiful cemetery at Stanton.

Deceased was twenty years old, and was a strict member of the Christian church at this place. She was an exceptionally quiet and lovable girl, and she numbered her friends by her acquaintances.

Her bereaved parents and relatives have the sympathy of all.

Protesting Against the Bill.

A special from Irvine says: Large delegations from the counties of Breathitt, Lee, Estill and Wolfe, headed by ex-Congressman White, the Hon. F. A. Lyon and the Hon. W. O. Mice, have gone to Frankfort to protest against the passage of the bill making a new judicial district from the old Twenty-third. Never before in the history of the State has a people been more aroused, and a determined effort will be made to defeat it. Citizens living outside of the section whose interests are involved little realize the significance of the measure of the people of the

whole State and can only understand the importance of the bill by recalling the terrible state of affairs existing in this district only a few months ago.

Irvine Items.

(Irvine Herald.)

Miss Ida White is visiting relatives in Powell county this week.

Misses Bessie and Annette Riddell left Monday for Denver, Colo., where they will visit their brother, Harvey Riddell.

Jas. W. Park went to Elwood, Ind., Tuesday and will bring back his little son, Ray, who has been staying with his uncle, Ed Jacobs.

Wm. Isaacs has sold his farm which he brought from Theo. Wilson one year ago for \$3,000 to a Jackson county man for \$4,000. Mr. Isaacs then bought a part of the C. H. Maupin farm from the Richardson Bros. who also made a nice profit in the deal.

The February term of the Estill County Court was attended with a more business-like appearance than is usual for this season of the year, every body seeming to have business on hand and to be looking forward to the work of the year ahead with a hopeful view. There was a good crowd in town.

Sojourning in the South.

Wm. Mansfield, of Rosslyn, accompanied his wife, Mrs. Woodward, to Lexington, Ky., Monday. Mrs. Woodward has gone to Auburn, Ala., where Mr. Woodward is now. They expect to sojourn in the South for two years.

MARRIAGES.

Mr. Frank Daniel, a well-respected young man of this city, was married Wednesday, Feb. 17th, to Miss Lillian Barnes, of Bath county.

License Saloon in Jackson.

For the first time a legal saloon has been established at Jackson, Matt Crawford took out license, paying \$500 therefor. Recently the Town Council passed a resolution licensing saloons, in the face of a legislative enactment, prohibiting saloons in Jackson. Numerous blind tigers are still in operation there.

Will Not Press the Bill.

The Bill to create a judicial district elsewhere mentioned in this issue has met such opposition in the Senate that it will not be pushed. Instead a bill will be offered creating another district by putting Magoffin with Floyd and Knott counties, and leaving Breathitt in Judge Riddell's district.

MARCH NUMBER

New Idea Woman's Magazine

Of special interest to the readers of this progressive periodical will prove the first of a series of "Brief Business Talks for Women," by Katherine Louise Smith, in the March number. Her hints to her fellow-women for a better knowledge in the care of money will prove of exceeding value to those who heed them. "The Vicereine of India," as presented by Waldon Fawcett, deals with the remarkable success of that beautiful American woman, Lady Curzon. Articles appropriate to Spring in the house and garden are "Flowering Plants for the Window-garden," by Eben E. Rexford; "Raising Mushrooms for Profit," by Madeline Rellie; and "Gardening Under Muslin," by George Ethelbert Walsh.

Work to Begin March 1st.

The report comes from Mt. Sterling that the Louisville & Atlantic railroad will begin March 1 to extend its line from Bentlyville Junction in Lee county. The extension will be eighty miles in length and will run northeast through Wolfe county, crossing the O. & K. at Wilhurst. It will then go through the northern part of Breathitt and through the southern part of Magoffin to Prestonsburg in Floyd county. From that point the road will be finished through the eastern part of Pike county to the West Virginia line where it will connect with the Norfolk & Western road. The route has been surveyed and all arrangements made to begin work. The country through which the new road will travel—Pike, Magoffin and Floyd counties—has no railroad and is full of the richest coal, timber and mineral lands. The completion of this line will open up the richest section of Kentucky. There seems to be no doubt of the completion of the road, and land owners along the proposed route are jubilant over the prospects. It is estimated that it will cost \$8,000 per mile.

The freezing line keeps moving farther South every winter; it begins to seem that it may some day be impossible to grow oranges within the borders of the United States. Northern Florida was once the center of the orange industry; it was given up years ago, and each year the wise growers move there line southward.

A Beautiful Tribute.

(Extract of letter.)

Washington, D. C., 2-5, 1904.
Mr. Durrett White,
Clay City, Ky.

MY DEAR FRIEND:—In a recent issue of the Richmond Climax I found a beautiful tribute from your facile pen to that great Southern Chieftain, Gen. John B. Gordon. I wish to say that it was fit to be classed with the best that his illustrious memory inspired and his death called forth.

Your Friend,

C. E. Woods,

Grand Recorder of the Sigma Nu Fraternity and editor of its organ, The Delta. Assistant Secretary to U. S. Senator Jas. B. McCreary.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

The people in this section are
strongly opposing the proposed
passage of the bill creating a
new judicial district, and which
so seriously affects Estill coun-
ty. We hope to see the defeat
of the measure.

Judge Riddell's Work.

About The Primary.

There was an article in last
week's TIMES commending the
action of the Democratic com-
mittee in this Congressional dis-
trict in calling a primary elec-
tion for May 7 to nominate a can-
didate for Congress. At that
time we had not learned that the
entrance fee had been fixed at
the unreasonable sum of \$1,000,
but supposed the estimated cost
of \$2,000 for holding the primary
would be equally borne by the
candidates be there many or few.
If there is but one candidate at
the time of the primary, he will
be declared the nominee and the
election not held, thus he would
have to pay nothing.

While the TIMES is and always
has been a very strong advocate
of the primary, it does not believe
in unnecessarily robbing the can-
didates. They should, of course, be
equally taxed to bear the expense
of the primary, but it is injustice
to collect more.

There are now six candidates
in the field, and when each of
them pays in their fee of \$1,000
there will be in the hands of the
committee \$6,000 to hold an elec-
tion that is only calculated to
cost \$2,000—\$4,000 more than is
needed, or enough money to hold
three such primaries. What does
this committee propose to do with
this surplus money? Or was the
high entrance fee intended to
choke out all the candidates of
small means, and at least narrow
the race down to only two candi-
dates.

Against the Bill.

A meeting of the citizens of
Breathitt and Lee counties have
been held protesting against the
passage of the bill now before
the Legislature to re-district the
23rd judicial district. This dis-
trict is now and always has been
Democratic, though only by a
small majority of a few hundred
votes. As stated before, the bill
creates a new district from the
counties of Wolfe, Breathitt,
Magoffin and Knott, and the 23rd
will be made up of the counties
of Estill, Lee, Owsley and Jack-
son. If this bill becomes a law,
it will only make the 23rd fore-
ver hopelessly Republican and
make a new Democratic district,
the total result of which will be
the addition of one more Repub-
lican district in the State, when
such a creation is of no necessity.

It is claimed, and it seems
reasonable that the docket in the
counties composing the old dis-
trict can easily be kept clean if
the time allotted for the hold-
ing courts is only properly used.

The best way in the world to
drive locating enterprises away

from our city is for owners of real
estate to ask such concerns unre-
asonable prices for sites. This
has been one great draw-back to
Clay City from its earliest histo-
ry to the present. The town
could have been double its size
to-day if the proper inducements
had been offered to capital seek-
ing locations.

It is said that Congressman
Ollie James, of the 1st Kentucky
district will be a candidate for
United States Senator to succeed
the Hon. Jo C. S. Blackburn.

Testing Wolfe County Wells.

Some wells were put to work
in Wolfe county this week, and
are producing excellently. This
is the first real test that has ever
been made of Wolfe county wells,
and proves that they are as good
as any in the State. Owing to
the depth drilling is carried on
on a small scale.

Your Heart

May Be Weak. One Person in Four Has a Weak Heart.

One of the surest signs of a weak
heart is shortness of breath after exercise.
Your heart is not able to pump the
blood fast enough to your lungs.

Some of the other symptoms of Heart
Trouble are: Pains in the Side, Back
and Shoulder; Fainting or Weak Spells;
Dry Cough; Swelling of Feet and Ankles;
Cold Feet or Hands.

No one can afford to allow a weak
heart to go without medicine, because
weak heart means poor circulation, and
poor circulation means weak lungs,
stomach, liver, kidneys, etc.

If, therefore, you suspect heart trouble,
begin taking Dr. Miles' New Heart Cure.
The Heart Cure will do you good, as it is
a splendid tonic for the blood and nerves,
and will revitalize your entire system.

Finally, remember, Dr. Miles' New
Heart Cure is sold under a guarantee
that the first bottle will do you good.
If it doesn't—your money back.

"I was afflicted with heart trouble for
three years. I would be apparently all
right, and without a moment's warning
would fall as though shot. The attacks
were frequent, and a terrible dread pos-
sessed me, as I never knew when or
where, nor under what conditions I
would be attacked, and whether I would
survive them. I consulted and was
treated by some of the most eminent
physicians of the state. Not finding re-
lief from this source, I began taking
Dr. Miles' New Heart Cure, and began
to improve at once. I used ten bottles,
which entirely cured me, as I have not
had an attack for five years."—MRS.

LOCAL BREVITIES.

The ground hog must have seen his shadow.

W. G. Patrick, postmaster and merchant of Kimbrell, was here Monday.

Jas. H. Hohnan, of Bowen, visited his daughter, Mrs. Charlie Ewen Tuesday.

Misses Cora and Rebecca Cook, of Virden, have entered the Clay City Graded School.

Mrs. W. R. Cassidy is visiting her sister, Mrs. A. E. Sams at Winchester this week.

Miss Sarah Back spent a few days the past week with relatives at her home in Jackson.

Pete Wells is very sick at his home on Hardwick's creek. Dr. Littlepage was called to wait upon him.

Every man who improves his own premises does the public a service by adding to the attractiveness of the town.

Surely after its record this year, winter will not have the effrontery to linger scandalously in the lap of spring.

Note change in Mrs. Williams' ad this week, and visit this leading store and see what immense bargains are there for you.

Mrs. Katie Bishop, of Indianapolis, who has been visiting relatives in this county since Christmas, is visiting her sister, Mrs. Charlie Ewen this week.

The Misses Hanks and their brother, Everett, of Lombard, are visiting their cousins, Mr. Herman and Miss Carrie Hoskins, near the city.

From what we can learn our marshall must have been quite busy Saturday. There were four scraps in town on this day, rivaling a Fourth of July.

H. L. Millward, of the firm The Millward Co., furniture and piano dealers, of Lexington, was the guest of his friend, Prof. Durrett White Tuesday.

F. A. Lyon & Son, the leading insurance agents of Eastern Kentucky, will shortly begin the construction of a modern two story office building at Beattyville.

There will be a grand ball given at the Light House Friday night, given by the Clay City Dancing club. This office was employed to turn out some neat invitations for the occasion.

Mr. and Mrs. Akers have rented and moved into the Cassidy building where Mrs. Akers will keep boarders. She has had much experience in the business and her patrons will be well provided for.

Rev. R. A. Irvin went to Beattyville Saturday to fill his regular appointment at the Presbyterian church as pastor. He didn't hold any services on account of the prevailing small-pox now existing there.

There was a concatenation of Hoo Hoos at this place last night. There were a number of visitors present and a royal good time is reported. No one can become a

Black Cat except timber men and newspaper men.

Real winter seems to be with us to stay at least until spring time.

Pastor Crawford preached at the Methodist church both Sunday morning and evening. It was his regular day at Hardwick's Creek, but the new church was not ready to occupy yet, so he stopped here and preached.

A. P. Bush sold a mule at Mt. Sterling court Monday for \$90, and R. P. Rose sold a span of nice mules at the same time for \$250. Mr. Rose was offered \$305 for the same mules and by the same man at the January court.

Eggs were never so scarce as at present, and a city exchange has been provoked to remark: "Don't worry about the disappearance of the eggs. Most of the eggs we see nowadays are old enough to take care of themselves."

If you will stop and imagine yourself on the 4th of July next with the thermometer standing at 100 in the shade, and the perspiration streaming down your cheeks, you will probably be more patient with the prevailing frigid weather.

The Lads Brought Home.

The minor sons of J. T. Newkirk and Cas Brush, the runaway lads mentioned in our last issue, were overtaken at Lexington Wednesday and brought back home. The boys were taking in the sights, and when found were on their way to the opera house. These youths will not probably undertake a similar job for a few days yet to come.

Brings a New Subscriber.

Wm. Morton, Esq., of Bowen, was down Saturday on business. Mr. Morton is one of our substantial subscribers, and is greatly interested in the success of the TIMES. He left with us the necessary cash for one year's subscription to be sent to Wm. Crow at Lombard. We are always glad for such gentlemen as Mr. Morton to call on us when in the city.

DIED.

Robert Butler, the little five-year-old son and only child of Mr. and Mrs. Dan Jackson died at Kiddville Friday of brain fever. The remains were buried in the Winchester Cemetery.

Through our correspondent at Rice Station, Estill county, we learn of the death of Eld. J. J. Edwards, the widely-known Baptist minister at Winston, Feb. 9th. Bro. Edwards has been serving the cause for many years, and is well-known to the majority of our readers. He organized the Powell's Valley Baptist church in 1882 and served them as pastor for years thereafter, or as long as he was able to attend them. He is the father of Frank Edwards, the music teacher, now of Cumberland, Ind. Ter., who is also well-known to our many readers.

For Sale.

I offer for sale my home place located on Plum Lick pike, 1 1/2 miles from Plum and 9 from Mt. Sterling. It embraces 1 1/2 acres, having a two story residence of 6 rooms, (besides halls and porches) garden and young orchard, never failing water, also a nice large blacksmith shop and a steam grist mill with twelve-horse Gaarscott portable engine almost new. I will sell the mill only, if desired. Here is a bargain.

J. W. DOUGLAS, Plum, Ky.

Mt. Sterling Court.

Mr. R. W. Garrett and others from this county attended court at Mt. Sterling Monday and report a number of mules on the market, the same selling for 20 per cent. less than at the January court. Cattle were dull; young cattle of good quality sold for 4 cents.

Mysterious Circumstance.

One was pale and sallow and the other fresh and rosy. Whence the difference? She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c. at Swann-Day Lbr. Co's.

President Taylor's Grave.

In a lonesome country graveyard, five miles from Louisville, there is an old vault on whose rusty door may be seen the words: "Zachary Taylor, died 1850." Here in this lonely spot, overgrown with vines and weeds, and visited by less than a dozen people a year, is the tomb of a President of the United States, neglected, almost forgotten, yet there are men living who remember the time when his name was heard as frequently as Roosevelt's is heard now. He was the hero of the Mexican war, commanding the American Army from its entry into Mexico, and in all the fights between the Texas border and Monterey, including the bloodiest battles of the war.—Exchange.

Nearly Forfeits His Life.

A runaway almost ending fatally, started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruption and Piles. 25c at Swann-Day Lbr. Co's store.

Escaped an Awful Fate.

Mr. H. Haggins of Melbourne, Fla., writes, "My doctor told me I had Consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and own all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed all throat and lung diseases by Swann-Day Lbr. Co. Price 50c & \$1.00. Trial Bottles free.

Suspended from College.

Luke Milward, the State College cadet who was reprimanded by order of the Board of Inquiry for alleged indiscreet talk to Miss Evelyn Hargis, daughter of County Judge James Hargis of Jackson, Ky., has been suspended from the college for one year for insubordination in the military department of the school. The order of suspension went into effect on Saturday and is for the remainder of the present term.

Better Than Gold.

"I was trouble for several years with chronic indigestion and nervous debility," writes F. J. Green, of Lancaster, N. H. "No remedy helped me until I began using Electric Bitters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by Swann-Day Lumber Co.

Dragging Pains

2825 Keeley St.,
Chicago, Ill., Oct., 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groin. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

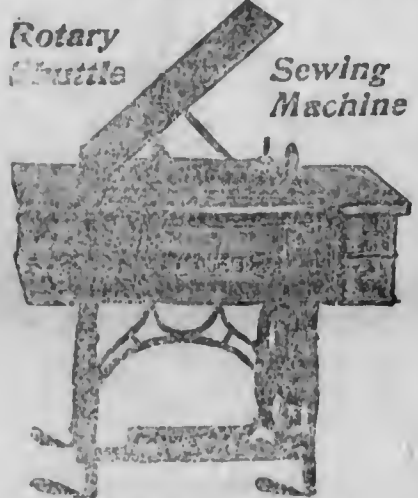

Maud Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.
